Notice of Preparation for the County of Riverside Public Safety  
Enterprise Communication (PSEC) Project

Ms. Mitchell:

I am in receipt of your Notice of Preparation for the County of Riverside Public Safety Enterprise Communication (PSEC) Project that would expand the County's radio tower network from the current 20 sites to approximately 70 sites throughout the County. It is necessary under Part 77 of the Federal Aviation Regulations to notify the Federal Aviation Administration (FAA) of any proposal which would exceed certain elevations with respect to the ground and neighboring airports.

CFR Title 14 Part 77.13 states that any person/organization who intends to sponsor any of the following construction or alterations must notify the Administrator of the FAA:

- any construction or alteration exceeding 200 ft above ground level

any construction or alteration:

- within 20,000 ft of a public use or military airport which exceeds a 100:1 surface from any point on the runway of each airport with at least one runway more than 3,200 ft
- within 10,000 ft of a public use or military airport which exceeds a 50:1 surface from any point on the runway of each airport with its longest runway no more than 3,200 ft
- within 5,000 ft of a public use heliport which exceeds a 25:1 surface
- any highway, railroad or other traverse way whose prescribed adjusted height would exceed that above noted standards when requested by the FAA
- any construction or alteration located on a public use airport or heliport regardless of height or location.

To fulfill this requirement, it is necessary to complete and return a copy of the Form 7460-1, Notice of Proposed Construction or Alteration. This form is found on the web at : <http://forms.faa.gov/forms/faa7460-1.pdf>. Once completed please forward the 7460-1, and any related plans for obstruction evaluation to:

Federal Aviation Administration  
Southwest Regional Office  
Air Traffic Airspace Branch, ASW-520  
2601 Meacham Blvd.  
Fort Worth, TX 76137-4298

Additionally, you may coordinate with the FAA's Western-Pacific Region System Obstruction Specialist Karen McDonald to address any potential air space obstruction issues. Ms. McDonald may be contacted at 310-725-6557 or [karen.mcdonald@faa.gov](mailto:karen.mcdonald@faa.gov).

If you have any questions regarding this matter, please feel free to give me a call at (310) 725-3637.

Sincerely,

Victor Globa  
Environmental Protection Specialist
