Hello. My name is Mohammad H. Izadpanah and I am the owner of the above property with APN 373121022. By looking at table 1 (proposed site information) and the map you provided, I can not tell how far this communication tower will be from my property. Could you please provide me with this information and let me know how it effect my property? I would appreciate it if you could leave me a phone number to contact you or send me a respose electronically. My response about this project will come to you once I my above concerns are clarify by you.
