Subject:

My name is Anthony Wilson and I am the owner of APN # 373-101-003. I plan to build a house on my property, and I am concerned about the impacts of the proposed communication tower that is to be built on it. Will the entire property be used to build a tower? If so, it will conflict with my plans to build a home. Where exactly will the tower be built, and is the county planning on purchasing my property to build the communication tower?

Sincerely,

Anthony N. Wilson
