Luke / Dan-

Please see the email below from a gentleman at the Santa Clara County Communications Dept. He would like to speak with someone regarding Motorola.

Thank you,  
Vikki

Subject: 700 MHz trunk system

Riverside County,

I'm with Santa Clara County Communications department. We are currently doing studies to get a 700 MHz trunk system in our county. I was wondering, if we could talk to one of your engineers or technicians about the issues you have encountered with Motorola. We would also like to know, what they are telling you about the new VHF/700 MHz radios.

Thank you.
