

Hi Mr. Force

Please forward my comment to your staff. I want the tower as far away from my three property lines as possible. My assessment numbers are 407170009, 407170008, and 407170030 where I own a home at 10510 Hannon Road. I feel that the tower would take away from the natural beauty of the area. I also do not like the idea of having any microwaves near my home.

As you know my family has owned property in Cherry Valley since 1952. We were one of the many large Cherry Orchards where folks from Los Angeles would come and pick their own cherries from our orchard. I am now remodeling my late mother's hours across the street and plan to build four homes on Hannon Road.

I have also contacted Laurene Heredia, Joyce Cravens and others who do not care to have this placed near Hannon Rd in Cherry Valley.

Thank you for your thoughtful consideration!
